Captain Webb Primary School Newsletter

April 29th 2022

Dear Parents/carers,

## Year 1 Visit to Conkers

Year 1 had an amazing day at Conkers this week, as part of their topic on 'Plants & Trees'. They explored the woodlands and used their senses to search and collect a variety of plant materials, which they then used to create a piece of sensory art. They also experienced the barefoot walk, discovering the textures and sensations as they walked on timber, bark, coal, mud and pebbles along the 450-metre barefoot walk.

As part of their commitment to increase the recycling rate in the town, they offer free workshops to primary schools to promote the importance of looking after the environment and recycling.
