Year 1 Telford Tour

Year 1 have been on a tour of Telford learning about physical and human features as part of our Geography topic. We took in the scenery of the

River Severn on the Ironbridge and walked some of the way up The Wrekin. After all that hard work we managed a short trip to the town park where we really loved playing on the human features!

Year 3 Parent Workshop

Thank you to all the parents and carers that came to our workshop today. The children had a fantastic time making their pitta bread and Greek feta salad. They had an even better time eating it!
